

OPSIAL GREENER TOGETHER:

A committed approach to reduce the environmental impact of our products.

With its **OGT** range, OPSIAL is taking concrete, measurable actions in three key areas:

DESIGN:

Selection of recycled materials.

PRODUCTION:

Production unit audits based on ecological, ethical and social responsibility criteria.

MORE RESPONSIBLE PACKAGING:

Recyclable or recycled cardboard, plant-based inks.

OPSIAL

A comprehensive range of **Individual Protective Equipment** merging technical features, comfort and style.
