ACTIV'LINE HV TROUSERS

P70B0N8

Class 2 high-visibility trousers

Care instructions

- Wash at 60°C
- Do not bleach
- Iron at medium temperature, 150°C maximum.
(It is advisable to iron on the reverse side; do not iron CORDURA® fabric)
- Do not dry clean with perchloroethylene
- Tumble drying permitted, maximum temperature 60°C

Technical details

High COTTON content

- Comfort of cotton (natural fibre)
- Resistance of polyester (tear strength, bleed, shrink, wear resistance)
- Can be washed at high temperatures
- Best compromise between comfort and mechanical performance

CORDURA®

- Extremely abrasion-, wear- and puncture-resistant fabric
- Resistance 3 times greater than nylon and 20 times greater than cotton

Double tone-on-tone stitching on pockets
Triple stitching on sides and inseam in HV orange

Glossary of definitions

CORDURA®

- Textile fibre manufactured by DuPont De Nemours
- Extremely abrasion-resistant for use in demanding conditions

STANDARD EN 14404 + A1: 2010

- Knee protection

“Work in a kneeling position involves the risk of chronic diseases such as prepatellar bursitis or cartilage injuries caused by continuous pressure on the knees. Knee protection is therefore strongly recommended for all work involving this type of risk”

Sizing guide

- Measure the size directly on your body, not too tight
- If you are between two sizes, always choose the larger one

Size	B
36	68 - 72
38	72 - 76
40	76 - 80
42	80 - 84
44	84 - 88
46	88 - 92
48	92 - 96
50	96 - 100
52	100 - 104
54	104 - 108
56	108 - 112
58	112 - 116
60	116 - 120
