- Main fabric: 65% organic cotton / 35% recycled polyester 250gsm
- Secondary fabric: 100% CORDURA® nylon 225gsm

## Standards

EN 14404 + A1: 2010:  
Type 2 - Level 0

## ACTIV'LINE TROUSERS

### OGT 250

P700SJH

34% recycled work trousers

## Maintenance instructions

- Wash at 60°C
- Chlorine prohibited
- Iron at medium temperature, 150°C maximum. (It is advisable to iron on the reverse side, do not iron CORDURA® fabric)
- Do not dry clean
- Tumble drying permitted, maximum temperature 60°C

## Technical details

### HIGH COTTON CONTENT

- Comfort of cotton (natural fibre)
- Resistance of polyester (tear strength, bleed, shrink, wear resistance)
- Can be washed at high temperatures
- Best compromise between comfort and mechanical performance

### CORDURA®

- Extremely abrasion-, wear- and puncture-resistant fabric
- Resistance 3 times greater than nylon and 20 times greater than cotton

### CANVAS

- Soft, comfortable and highly tear-resistant fabric

Double green topstitching on pockets

Triple green topstitching on sides and tone-on-tone stitching on inseam

## Glossary of definitions

### CANVA

- Plain Weave

### CORDURA®

- Textile fibre created by DuPont De Nemours
- Extremely abrasion-resistant for use in demanding conditions

### OEKO-TEX® STANDARD 100

- Certification guaranteeing that fabrics and clothing are not toxic to humans and the environment

### STANDARD EN 14404 + A1: 2010

- Knee protection  
“Work in a kneeling position involves the risk of chronic diseases such as prepatellar bursitis or cartilage injuries caused by continuous pressure on the knees. Knee protection is therefore strongly recommended for all work involving this type of risk” .

## Size chart

- Measure the size directly on your body, not too tight.
- If you hesitate between two sizes, always choose the larger one

### Sizes B (waist circumference)

36	68 - 72
38	72 - 76
40	76 - 80
42	80 - 84
44	84 - 88
